GEOGRAPHY/TOPOGRAPHY – The Foundation

- Why is it essential to understand the Geography/Topography with its Tels, Wadis, and even soil composition, for clearer interpretation and application of the Scriptures?
- How does this knowledge give one a solid frame-of-reference for all Jewish and Middle Eastern societies, various cultures, politics, religions, and daily life—even for today?

CULTURE – Jesus Was Jewish

- Why is it imperative to recognize the difference between ancient Hebrew Thinking and Greek Thinking?
- What are the Jewish Feasts and why should one more fully comprehend their significance?
- What is COVENANT? What do the Ancient Jewish Betrothal and Ancient Jewish Wedding have to do with salvation? How are they illustrated for prophetic interpretations—and even answering the eternal security question?
- Why is it vital to identify the pagan religious system and their “gods” at the time the Children of Israel entered into the Promised Land and continuing through the 1st Century (Jesus' time)?
- Why is it important to clearly differentiate between the political & religious groups to whom Jesus spoke?

HISTORY – The End Result

- Since we have Biblical history, why do we need to know the Ancient Hebraic and Middle Eastern History?
- What is the Christian fear factor for the Jewish and Arab people today?

HEBRAIC ROOTS – In The Christian Faith

- What do the Old Testament animal sacrifices have to do with the Christian faith?
- Why did Jesus (Yeshua) have to die for sin? Was it a random act or a continuation of a previous pattern?
- Do today's events in the Middle East have any connection to the past?

SITES OF ISRAEL – Ancient Voices Remain

- Why is it wise to have a visual and feet-in-the-Land experience?
- Why is it important to visualize the regions of the Land when studying the Scriptures?
- Why would I need to understand Jerusalem with its ancient and present Quarters and Temple Mount?

THE OLIVE TREE – God's Metaphor

- How could the olive tree be so significant?
